

The Greater Maple Valley Community Center enriches the quality of life in our community by providing multi-generational social, recreational and educational activities & support services.

January 2, 2010

Dear Preschool Director:

The Greater Maple Valley Community Center Children and Family Programs staff would like to invite you to participate in the 11th annual Preschool Fair. It will be held on **Wednesday, January 27, 2010** from 6:00 – 8:00 p.m. You will be able to set-up at 4:00 p.m.

It is that time of the year when parents and caregivers are asking about and searching for area preschools and childcare programs. We are involved with Toddler Time, which is an informal drop-in playgroup for children 0-5 years old and their parents/caregivers. The program is available four times a week at the Greater Maple Valley Community Center and Gracie Hansen in Ravensdale. We will be advertising the fair to our regular participants, as well as to the public. However, extended childcare programs are also encouraged to participate, as some will need this information, too.

To provide parents with the most meaningful information, participants should plan to have a school representative at the fair to meet parents/caregivers and answer questions along with any written information, brochures and enrollment forms that you would like to have available. If you are unable to attend the Preschool Resource Fair in person, you can still participate by dropping by or sending your school information to us before Wednesday, January 27, 2010.

If you are interested in participating, please fill out and return the enclosed registration form to me as soon as you can. Because of limited space, registration fills up fast. Please fill out and return the enclosed registration form to me no later than Tuesday, January 19, 2010. This will give me the necessary time to format the booklet and send it to the printer. The fees for the Preschool Resource Fair are:

\$45 for table and listing in Preschool and Family Resource Directory
\$30 for listing in Preschool Resource and Family Resource Directory

We look forward to seeing at our 11th annual Preschool Resource Fair. If you have any questions or comments, please phone us Monday – Friday at (425)432-1272.

Sincerely,

Cindy Pettigrew
