

The Greater Maple Valley Community Center enriches the quality of life in our community by providing multi-generational social, recreational and educational activities & support services.

January 2, 2012

Dear Preschool Director:

The Greater Maple Valley Community Center Children and Family Programs staff would like to invite you to participate in the 13th annual Preschool Fair. It will be held on **Wednesday, January 25, 2012** from 6:00 – 8:00 p.m. You will be able to set-up at 4:00 p.m.

Due to budget cuts in our programs we are no longer offering the Preschool Resource Booklet. We are implementing a new Sponsorship Program for all Children and Family Programs and hope you will consider the benefit to your programs.

It is that time of the year when parents and caregivers are asking about and searching for area preschools and childcare programs. To provide parents with the most meaningful information, your preschool should plan to have a school representative at the fair to meet parents/caregivers and answer questions along with any written information, brochures and enrollment forms that you would like to have available.

If you are interested in participating, please fill out and return the enclosed registration form. Because of limited space, registration fills up fast. Please fill out and return the enclosed registration form to us no later than **Monday, January 23, 2012**.

We look forward to seeing at our 13th annual Preschool Resource Fair.

Sincerely,

Cindy Pettigrew
