MAPLE VALLEY COMMUNITY RESOURCE FAIR

ORGANIZED BY TEAM TAHOMA

The purpose of this event is to provide information about available resources and enhance networking between community leaders, Tahoma School District staff, local law enforcement, and the service providers to whom we refer families.

Providers of mental health, shelter/housing, domestic violence intervention, youth programs, older adult services, medical and other social services will be present – a great opportunity to put names and faces together!

This will also be a good opportunity for you to become more familiar with the services provided by the Greater Maple Valley Community Center, including the Bear's Den Teen Center.

Thank you for all you do to support our community family and we look forward to seeing you!
