

The Greater Maple Valley Community Center enriches the quality of life in our community by providing multi-generational social, recreational and educational activities & support services.

January 2012

Dear Community Supporter,

The eighth annual GMVCC Benefit Breakfast is scheduled for March 15, 2012. We will once again enjoy sharing together as a community the “fun” of St. Patrick’s Day (a couple days early). We invite you to share some laughs and perhaps some tears with this years’ celebrity MC Larissa Long, Mrs. Pacific Northwest. Larissa will be competing in the Mrs. Washington Pageant in November. She is a local Maple Valley gal with three children and a big heart for helping others. You will also hear from your neighbors who benefit from your investment in The Center. As a past supporter of the Community Center, we hope you will make plans to participate in this very important event once again.

The success of this benefit event relies on the generous sponsorship of local individuals, businesses and community leaders. In addition to complimentary and promotional benefits, a sponsorship provides the opportunity for you to connect with your community by networking with other civic leaders and making a direct investment in our combined future. You are a stakeholder in support of strengthening and protecting our children, families, youth, and senior adults. Together we can continue to build and maintain a strong and healthy community.

We invite you to support our efforts by sponsoring this annual event.

We encourage you to take a look at our website. You may be amazed by the variety of programs we offer. You will be contacted soon by one of our Benefit Breakfast committee volunteers to discuss at what level you would like to participate, or you may, of course, contact me directly. On behalf of the GMVCC Board of Directors, staff, and over 14,600 community members who participated in GMVCC programs and other activities sponsored by and held last year at the Community Center, thank you for considering this request.

Lynn Roberts,
Executive Director – lynnr@maplevalleycc.org
