

## 2009 SPONSOR BENEFITS

The Greater Maple Valley Community Center relies on sponsorships, grants, and contributions to fund 40% of our annual budget. A GMVCC sponsorship not only increases your visibility within the community, it also offers opportunities to connect with other philanthropists and community leaders, and it associates your organization with quality programming that demonstrates your commitment to enhance the quality of life our community.

We are pleased to offer the following benefits of sponsorship. Additional opportunities for visibility may be available.
